Defendant.)	

MEMORANDUM OPINION

This matter is before the Court on its initial review of Plaintiff's *pro se* complaint and application for leave to proceed *in forma pauperis*. The Court will grant the application and dismiss the complaint. *See* 28 U.S.C. § 1915(e)(2)(B)(i) (requiring immediate dismissal of a frivolous action).

Plaintiff, a resident of San Diego, California, has sued former President Donald Trump for “Ceditious [sic] Conspiracy and contempt of court.” Compl. Caption. Plaintiff states that “this is an MDL case suppressed in Ca.[,] Washington D.C., and FL,” and “is the case of the family tied to the January 6 insurrection, to child trafficking and attempted murders of child and mother crimes outlined in all related cases[.]” Compl., ECF No. 1 at 2. The assertions continue in this incoherent manner. *See id.* at 2-5.

Complaints premised on fantastic or delusional scenarios or supported wholly by allegations lacking “an arguable basis either in law or in fact” may be dismissed as frivolous. *Neitzke v. Williams*, 490 U.S. 319, 325 (1989). The instant complaint satisfies this standard and therefore will be dismissed. The Court cannot exercise jurisdiction over such a claim. The

dismissal will be, however, without prejudice. A separate order accompanies this Memorandum Opinion.

Date: July 12, 2023
